Thank you for choosing this template.
I hope your guests love opening it as much as I loved making it.

Before you start

The full step-by-step Setup Guide came with your download. Open that first — it walks you through editing, the countdown, the RSVP form and publishing.

If it went well

If you enjoyed using this template, I'd absolutely love if you could **leave a review!** *Your support means the world.*

This template and guide — the design, layout, images and wording — are the original work of AemiraStudio and are protected by copyright.
