Here's a quick guide to help you edit and print your template.

STEP 1: GET CANVA If you're new to Canva, create a free account. It only takes a minute, and no paid subscription is needed to use my template.

STEP 2: ACCESS YOUR TEMPLATE Click the link on a first page to open your design. Click "Edit Template" to automatically create your editable copy.

STEP 3: CUSTOMIZE IT You are free to edit the text, fonts however you like. Your copy saves automatically, so you can come back and keep editing any time.

STEP 4: DOWNLOAD & PRINT When you're happy with it, download as PDF to print at home or at a print shop, or as JPEG for a photo lab. For print shops, turn on "Show Bleed" before downloading.
